Dedication

To have patience
 - is, to perceive,
To have a sense of humor
 - is to laugh,
To have an open mind
 - is to understand,
To have enthusiasm
 - is to live,
To have imagination
 - is to live beyond the day,
 to attain the heights.

Dedication

Many women are respected -
 for their wide range of knowledge,
 their impartiality or their sense of humor.
 Many women are admired -
 for their tolerance, their enthusiasm or their poise.
 Many women are loved -
 for their sympathetic understanding,
 their sincerity or their eagerness to help.
 Few women possess each and all such qualities -
 and so receive respect, admiration and love
one of the few is Miss Wardley.

THE MARGARET EATON SCHOOL SONGS

O Canada

O Canada our Fathers' land of old
Thy brow is crowned with leaves of red and gold.
Beneath the shade of the holy cross
Thy children own their birth,
No stains thy glorious annals gloss
Since valour shields thy hearth.
Almighty God, on Thee we call
Defend our rights, forefend this nation's thrall,
Defend our rights, forefend this nation's thrall.

✓
Tune - Notre Dame Victory Song
Camp Tanamakoon 1936

Stand up and cheer for old M. E. S.
Rally ye daughters from East and West
We will make the echoes ring
As in her praise we shout and sing.
Steadfast and faithful we'll ever be
Pledging our love and our loyalty,
To bring her fame we'll do our best
All honour to M. E. S.

2
Tune: Original
Camp Tanamakoon 1938

O fairest Margaret Eaton
We bring to you our praise,
May our sincere devotion
Illumine all your days.
May we be ever worthy
Whatever life may yield,
Prove valiant and undaunted,
Hold fast to your ideals.

THE MARGARET EATON SCHOOL SONGS

1.

Tune - My Girl She's a Hulabaloo
Camp Tanamakoon 1926

Ask the girls of Margaret Eaton
About the place that can't be beaten
A woodland camp they'll all remember
For they go there in September,
A school and a camp rolled into one
Give us a chance and watch us run
Rain or shine or snow or sleet
Back to that camp.

After they have graduated
No matter where they're situated
When the leaves begin to turn
For that camp they're sure to yearn
And if they have fifteen kids
They will clap on all their lids
Take them by the hand and go
Back to that camp.

B. V. Casey, 2. Done
Tune - The Kings Horses
Camp Tanamakoon 1931

Come all ye campers if you want to hear
A story of fortunates, look right here
When we are ninety just watch us run
You would think we were popped from a
cannon gun.

Chorus -
Physical Eds. come and see us play
Physical Eds. when we're old and gray
Physical Eds. keep right on a-going
Never call a halt until your dying day.

If you've aching arches or you've got
flat feet

Just try our exercises they're a treat
Taken regularly the results sublime
And you'll leave pretty foot-prints on
the sands of time.

Chorus -
Physical Eds. come and see us play
Physical Eds. when we're old and gray
Physical Eds. keep right on a-going
Never call a halt until your dying day.

3.

Tune - Forty Years On
Camp Tanamakoon 1926.

Forty years on, holy smoke just imagine
Won't it be awful to be old and fat
Grandchildren screaming and yelling
around you
Or sitting all alone with your parrot
and your cat.
Then you will say it's my candid opinion
The younger generation are going to the
dogs
Just the other day with my own eyes I
saw it
Several young girls drinking wicked
egg noggs.
Old and fat, old and fat, old and fat, *tune*
Will we ever be resigned to our fate
Sedentary life, and putting on weight.

4.

Tune - Two hearts beat in $\frac{3}{4}$ time.
Camp Tanamakoon 1931

A singing and a swinging
Stroke hard, swing out
My gallant crew
A long pull
And a strong pull
Adventures we'll pursue
Through the deep forest
We'll silently glide
Sighting the buck and the doe
Where they hide
Then swiftly as a heron winging
Our singing paddles zip by.

5.

Camp Tanamakoon 1931

I want to wake up in the morning
Where the pine and balsam grow
Where the loons are calling
And the sun is shining
And the whole world says hello.
I want to tramp o'er those blazed trails
Behind a green and tan canoe
For it's there at Tanamakoon
That the skies are ever blue.

THE MARGARET EATON SCHOOL SONGS

6.

Tune - When Irish Eyes Are Smiling
Camp Tanamakoon 1933.

Afloat upon the water
In my light and swift canoe
We dip and pull together
Just a merry laughing crew
At dawn or noon or evening
We paddle and we sing
And the hills so brightly tinted
With our joy will forever ring.

7.

Tune - Flying Trapeze
Camp Tanamakoon 1934.

Once we were happy, contented and warm
When down to the dock we went early one
morn
One look at the water and right on the
spot
We realized that we weren't so hot - so
what?
Then up on the board we ascended
And into the water we flopped
The bubbles came burbling before us
As we struggled up to the top.
O, we dive through the air
With the greatest of ease
The M.E.S. seniors with nicely bent knees,
We land on our tummies, our seats, or
our sides
But we cut that cold water with pride -
Oh Yeah.

8.

Tune - The Vagabond King
Camp Tanamakoon 1934.

M. E. S. we greet you
And we'll always meet you
With our friendship firm and true.
And in our vocation
We get inspiration
From your ideals held in view.

Keep before us your colours, green and
white,
To help us always in striving for the
right
And when we are leaving, we will not be
grieving,
For our future, hail to you.

9.

Tune - Medley
Camp Tanamakoon 1934

Roll up your blankets in your old pack
sack

And sling it on your back
Over the waters blue we glide along
Happy is our song
Algonquin is the answer to
A trippers dream come true - So -
First you paddle starboard
Then you paddle port
Then we give the camp salute
Saluting is our forte.
Stroke on, stroke on,
Hail M. E. S.
Our courage never -
You can have half my balsam bed
But don't roll over
You can have half my towel and soap
And what's moreover
My toothbrush is my very own
It's the one I brought from home
And my mother told me to
Soap the pots and chop the wood
And light the fire, and cook the food,
And see that everyone is nicely served
Oh, we could go on until morning,
We could go on until morning, But
When we come to the end of this perfect
song
And we sit around with a smirk
We hope that you all agree with us
That it has really been worth the work
So -- unroll your blankets from
Your old pack sack
We've all come back.

Tunes:

Pack Up Your Troubles
Chante Le Cougi
Marseilles
Don't Bring Lulu
Humoresque
We Won't Be Home Until Morning
When you Come to the End of a Perfect Day
Pack Up Your Troubles
